

Healthcare and Caregiver Services

ADULT RESIDENTIAL CARE HOME

Prepare to assist elderly residents with daily living activities, custodial duties, monitoring medication, and more.

Our Adult Residential Care Home (ARCH) program covers basic knowledge about geriatric diseases, preparation of special diets, fulfillment of existing orders and therapies, and behavior management. You'll also learn basics of simple accounting and Department of Health rules and regulations governing ARCH.

THE IMPORTANCE OF RESIDENTIAL CARE

It has been estimated that 70 percent of individuals 65 years and older can expect to need long-term care sometime in the future.* The skills you gain from our ARCH course will prepare you to fill this need at a care home, or in your own circles.

**Taken from The Feasibility of a Long-Term Services and Supports Social Insurance Program for Hawaii, a report to the Hawaii State Legislature. December 15, 2014*

22%

On O'ahu, jobs as a Personal Care Aide are projected to grow in the next 10 years.

\$21K

The average annual salary, in Hawai'i, for highly skilled and experienced workers.
