Thursday, Saturday & Sunday
May 15, 17, 18
July 17, 19, 20
August 21, 23, 24
September 18, 20, 21
October 16, 18, 19
December 11, 13, 14

\$200
Non-refundable tuition

You will learn:

- The basics of what to wear, types of motorcycles, parts of the motorcycle & the use of motorcycle controls
- How to maneuver in tough situations- swerving, avoiding collisions & hazards, lane changes, passing, & special riding situations
- Street strategies to avoid trouble & stay safe
- How to slow, brake to a stop & properly park a motorcycle
- How to ride in a straight line & proper turning techniques
- How to properly shift through the gears
- **And most importantly, get the confidence to safely ride & enjoy your motorcycle!**

Motorcycles and helmets provided.

No experience required, but must be able to ride a bicycle and be physically fit.
