

Healthcare and Caregiver Services

PHARMACY TECHNICIAN

As an approved Pharmacy Technician Certification Board (PTCB®) advocate, we will prepare you for the Certified Pharmacy Technician (CPhT) certification. Besides learning the history of pharmaceutical medicine, you'll develop skills in calculations, drug classification, processing, inventory and billing– various roles of a Pharmacy Technician in retail and hospital settings.

WALGREENS EXTERNSHIP PROGRAM

For Pharmacy Tech students– see back for details.

WALGREENS EXTERNSHIP PROGRAM

Walgreens, the nation's largest drug retailer, is offering students of pharmacy technician training programs an externship at a local store. It is an unpaid externship, but participants will gain valuable exposure through this unique opportunity.

Call 455-0477 for more information.

- No compensation for externship
- Minimum 18 years old
- Learn and observe Pharmacy Technician on-site– learn customer service skills, process insurance, and working within the Walgreens system
- Number of extern hours determined by instructor
- Students are expected to abide by Walgreens rules, regulations, policies, and procedures while on-site
- Externship concludes when Pharmacy Technician class ends
