

FUNDAMENTALS OF HYPERBARIC MEDICINE

St. Augustine's Hospital in Durban, South Africa, is proud to host an Undersea and Hyperbaric Medical Society (UHMS) approved course at its 10-person multi-place chamber facility.

There are no prerequisites for attending this course. It is, however recommended for doctors, nurses, paramedics and chamber operators transitioning into clinical hyperbaric medicine. Any hyperbaric chamber operator certified through DAN, SAHUMA for example is also eligible to certify as a Clinical Hyperbaric Technologist (CHT) after successful completion of this course.

Course date: 21-25 February 2022

Course times: 08h30-17h00 SAST (*In person and Hybrid attendees*)

Contact info: sferguson@sfu.ca, hyper.baric@netcare.co.za

Chad Katz: 072 366 3418

Course fee: R 7000
