FORMAT FOR SATURDAYS AND SUNDAYS

The first 55 minutes will be spent in the gym with one or more instructors going over safety issues, basic tumbling and stretching; kids will then have unstructured play in the pits, on the trampolines, and other gymnastic equipment. All presents and other non-perishable items should be stored in the office area; perishable food should be placed in the freezer upstairs (get help from the manager). The final 40 minutes (eating and presents) will be upstairs.

SAFETY AND AGE

We are confident attending children will have an enjoyable and tiring experience. **Waivers must be signed by child's parent or guardian and returned on the day of the party.** To help ensure that a needless injury does not spoil your party, safety rules will be strictly enforced. Any child not following safety instructions will be asked to leave the gym with a responsible adult. Children under the age of four **must** be watched by an adult, preferably their parent.

CLEAN UP AND ROOM REPARTURE

I have read the attached material and I accept the conditions controlling the way AAG birthday parties are run.

BIRTHDAY PARTIES

BIRTHDAY PARTIES

We request help in disposing of your paper goods and other on the table messes. We wipe the tables and sweep the floor. Experience suggests that it is best to throw things in the garbage as you go along so you do not feel rushed as at the end of your 40 minutes upstairs.

WHAT TO BRING

Since we only supply the room, tables and chairs for your eating time, you might want to bring some or all of the following: tablecloths, matches for candles, eating utensils, paper cups, napkins, plates, a large knife for cutting the cake and a large bag or two for carrying presents down to your car.

PARTY PACE

The pace of your party should be carefully considered since all sizes of parties are allotted the same forty minutes, and might be well served by scheduling only ½ hour for this part of the party. Larger parties of 25 or more children should start promptly and move along at a consistent pace. For very large parties, there may not be enough time to open presents unless the party is for more than one child.

PAYMENT: By check, cash, credit, or debit. Tips are optional but are very much appreciated by your coaches.

DRIVING INSTRUCTIONS: Our invitations have maps on them and you can find a map on our **website: aagymnastics.com**.
