

## **IVCSD Finance Committee**

### **Mission Statement:**

To provide transparent budget processes and financial management that promote fiscal stability, instill public trust and ensure that the district offers the services it was established to provide.

### **Vision:**

We will develop and maintain a financial system that:

- Allows regular review by the public and the district's finance committee.
- Ensures a system for board approval of financial transactions.
- Creates a check and balance through an independent bookkeeper.
- Separates the General Manager from the checking accounts.
- Allows checks to be signed by board members only.
- Complies with all government codes, regulations and requirements.
