REQUEST FOR BIDS – Solar Project

The Indian Valley Fire Department in Taylorsville is looking to place solar panels on the roof of their fire station on 4292 Main St., Taylorsville, CA. The total annual kwh useage per year at that site is approximately 3400 kwh.

Please provide a bid for nine (9) 280 watt (equivalent or greater) panels, appropriate inverter(s), rooftop equipment and installation, necessary wiring and connections to existing electrical panel, any necessary permits and fees associated with the solar project. All associated equipment should come with a 20-year or greater warranty and a 10-year warranty on work performed by the vendor. This bid should reflect the total cost of an operational solar system for the fire department.

The vendor should reflect in their bid the willingness to finance the project over 11 years with no initial capital outlay.

Please provide a bid to the District by May 11, 2017 at 4:30 p.m. Bids may be emailed to chrisgallagher@frontier.com, faxed to (530) 284-0894, or mailed to the above listed PO Box. For questions, please call Office Manager Jeff Titcomb at (530) 284-7224 or email at ivcsd@frontiernet.net.
