

To Whom It May Concern:

The Redskins Youth Football & Spirit Association is a youth football & spirit 501c3 non-profit organization. We offer Tucson youth ages 5-14 the opportunity to be a part of a team sport and in turn obtain the responsibilities and life lessons that come along with participating within team sports. Such benefits include but are not limited to; the technical fundamentals of football and cheerleading, the principles of loyalty, a strong work ethic, academics, teamwork, sportsmanship, discipline as well as setting and achieving short and long term goals.

This year we anticipate at least 400 participants with an expected operating budget of around \$90,000. This budget allows us to provide all participants with the necessities required to participate during the season. With each year the number of participants increases along with the operating cost. We provide participants with facilities, practice uniforms, equipment, and insurance; as well as trophies and rewards for their hard work at the end of the season. Given the rising costs of many of these necessities as well as a yearly increase in participation, our organization consistently has a requirement for additional funding.

We are asking you to support the organization, an individual team or a single participant. Sponsorships offered by local businesses benefit our future leaders within the Redskins organization as well as the business providing the donation.

Our President and United States Congress have worked together to make it far more beneficial for businesses to donate to non-profit organizations by offering tax reductions in addition to allowing the donating business to deduct an amount of that donation from their fiscal tax responsibility.

The Redskins Organization offers the following incentives for sponsorships and donations, as follows:

Bronze- A bronze donation of \$300.00 or more ensures your company will receive a thank you letter from the Redskins Organization, and website recognition.

Silver- A Silver donation of \$500.00 or more ensures your company a plaque of appreciation to display in your place of business, a thank you letter from the Redskins Organization, the display of your company name on the organization banner to be displayed at all home games, and website recognition.

Gold- A Gold donation of \$1,000 or more will ensure your company a plaque of appreciation to display in your place of business, a thank you letter from the Redskins Organization, the display of your company name on the organization banner to be displayed at all home games, and website recognition. In addition, you will receive a Redskins team jersey.

All donors will be provided with a receipt for the amount received as well as the Tax ID number of the Redskins Organization to ensure you are able to deduct the amount of your donation from your taxes and receive any additional tax reductions available to your business as a result of assisting a non-profit organization.

Donations in any amount will be greatly appreciated by our organization as well as any support you can offer of your time. We are not all in a position to make a financial donation so volunteers are also greatly appreciated. Thank you for your consideration and taking the time to assist our organization in helping the youth of today to become the leaders of tomorrow.

Please make all checks payable to the Redskins Youth Football & Spirit Association, 1645 W. Valencia Rd. #246 Tucson, AZ 85746. If you are donating to a specific team or player please note that in the memo section of the check.

Sincerely,

Mike Carpenter

Mike Carpenter
