

# THE NELSON FAMILY

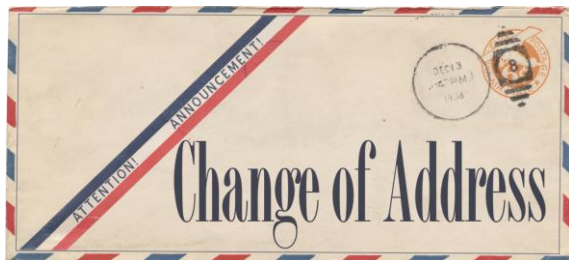

*Preparing to serve in the Dominican Republic*

## IT'S BEEN QUITE A YEAR

It is so amazing to look back at this year and see God's handiwork. At this time last year, we had no idea that we would be selling and giving away everything we own to move to another part of the world at the end of the year. We also had no idea how much we would learn about His faithfulness and love as we obeyed His call. He has been a faithful Shepherd in this season of waiting and preparation - He leads and we trust.

As we enjoy this Christmas season, we pray that your family can look back at this past year and see His faithfulness and love. We pray that, even in the midst of the busyness of this time of year, you can chisel out time to spend with Him, to rest at the manger. He longs for our heart and for our time. Rest in Him this Christmas.

*Every good and perfect gift  
Is from above~*

## PRAYER REQUESTS

- ♦Pray for a safe journey during our travel and flights on December 31<sup>st</sup> & January 1<sup>st</sup>. We arrive in Costa Rica January 1<sup>st</sup>.
- ♦Pray for our family and extended family during this transition time. We are told that the transition times are very difficult for the children. Please keep them in your prayers.
- ♦Pray for Jay's students and school as they transition to a new teacher in the new year.
- ♦Praise for the Brooks (our "big brother family") that is already in language school. They helped us find an apartment and have assisted us as we transition into life in Costa Rica.
