

United HealthCare Medicare Advantage Notice

Dear United Healthcare Medicare Advantage Patients –

We have been given notice that on September 1st, 2018 we are being terminated from the United Healthcare Medicare Advantage plans as In-Network Providers including:

1. The Villages Health HMO Insurance Plans
2. AARP Medicare Advantage Plans

Please understand that we are going to do everything possible to try to appeal and reverse their decision to terminate our participation with their insurance. In the coming days, we will draft letters for the following people and groups. If you would like to help, please write a letter to United Healthcare, and drop it off at one of our locations and we will email it to them for you.

You may also:

1. Contact the local UHC Medicare Stores and inquire about your Out-Of-Network Benefits.
2. Contact United Healthcare to file a complaint 1-800-711-6088 or 1-800-899-6500.
3. You may stop by one of our 3 offices locations and sign a petition and pick up a copy of the letter we received from United Healthcare.

After September 1st, we will still be able to care for you if your UHC Medicare Advantage plan has Out-Of-Network Benefits. Meanwhile, if there is anything we can do for you, please do not hesitate to let us know. We thank you and appreciate your understanding and support during this difficult transition affecting all of us.

Sincerely,

The Providers and Staff at Alliant Dermatology
