## John

John is the middle Darling child who acts quite mature for his age. He is a smart, analytical thinker. We need an actor who is capable of portraying sophistication and still be a kid at heart. Most of John's singing is done in groups.

**Sides:**

**John:** (as Capt. Hook) Peter Pan, you insolent boy, I'll slash you to ribbons!

**Michael:** I'll cut you to pieces!

**John:** (as Capt. Hook) Scuttle my bones – I'll slit your gizzard!

---

**John:** So you're the Lost Boys?

**Michael:** How did you get lost?

**Hop:** When babies fall out of their cribs, they come here to Neverland.

**John:** Why are there no Lost Girls?

## Michael

Michael is the youngest Darling child and baby brother to Wendy and John. He is sensitive and playful. While this role is of a young child, the actor has significant stage time and must be able to keep up with the mature roles of the cast and be able to maintain focus and character while on stage for extended periods.

**Song:** You Can Fly (Sing John AND Michael's parts)

**Sides:**
