DOUBLE HONOUR

BY PASTOR ANTHONY WALTON

The bible has a lot to say about honour and to whom honour is due. Honour is truly a gift bestowed upon those whom we respect and hold in high esteem for the service and sacrifices they have made. But there is one place in the bible where we are called to actually provide double honour. Paul exhorts Timothy, his spiritual son in the faith, to show double honour to those elders/leaders in the church who lead well and who faithfully preach and teach God's word (1 Tim 5:17).

After church service on the 11th of this month we will be honouring Ps. Alan and Regina Kitto who provided the spiritual oversight and leadership to Beaches Church for many years. They faithfully ministered God's word and showed in every way what it is to follow Christ. Many who have been apart of Beaches Church for much longer than I have can attest to that fact. Although they have stepped down from Beaches Church as Senior Pastors, they will always remain a source of spiritual wisdom and insight into the things of God, as we journey forward into the future as a church. Praise God!

Food for thought: If we honour those who are in authority and provide leadership to us in a secular sense, such as a judge, or a politician, or a wife/husband toward there spouse, how much more should we show honour to those who provide spiritual leadership that impacts our eternal destiny. - at least double!
