The Toy Box

The Toy Box was created in 1993 with the mission to have as much fun as possible while stocking the shop with creative, imaginative, education and FUN toys, games and novelties.

Over the 25 years in business, I have listened to our loyal local customers as well as the summer folks who come back every year. The product mix has continued to grow with the recommendations of these fabulous repeat customers. In addition, I gather great ideas at Toy and Gift shows.

The goal of The Toy Box is to create a friendly atmosphere, good customer service and FREE gift wrapping. I am very proud to have a wonderful staff who upholds these ideals.

Everyone is welcome to come by and share the fun.
