

Crowley Area
Chamber of Commerce
"Partners in Progress"

Dear Valued Business Owner:

The City of Crowley is excited to announce a continued program that we feel will have a significant impact on the promotion of the area. They are working with CGI Communications, Inc. to produce a series of streaming online videos highlighting all our community has to offer its residents, visitors, and businesses.

CGI is a leader in online marketing solutions, working with thousands of communities and businesses nationwide. With an easily viewable interface on the official city website – <https://www.ci.crowley.tx.us>, the video showcase will engage viewers in learning more about area attractions, economic development opportunities, quality of life, and so much more. The City of Crowley is dedicated to highlighting the advantages of living and working in the surrounding communities, and they feel that this program can do just that! We too will host those videos on our official website - <http://www.crowleyareachamber.org>, giving more exposure for our great community.

In addition, CGI will be contacting members of our local business community to offer participation in the program, as well as an opportunity to learn more about CGI's innovative new digital media products for businesses. We encourage you to consider supporting the program, and learning more about all that CGI has to offer.

Best Regards,

Terri Horn
