

VALUE EXCHANGE: As valued members of Aeon CSE (community supported education), all families are asked to contribute their time and energy towards the health of our cooperative. Parent support with transportation/carpooling, gathering materials, pitching in with projects or planning trips will enrich our children’s learning, create a deeper sense of community, and sustain the heart of our cooperative. In keeping with our intention to create an economically diverse learning community, we offer a sliding scale fee schedule. We trust our members’ innate ability to recognize value & compensate accordingly. Fees at the bottom of this scale sustain the basic needs of our cooperative, while fees at the top of this scale help our program to grow and thrive.

I understand that fees are based on Aeon’s annual budgetary needs, and are used primaril to pay faculty salaries for the year. I agree to make payments on time, and in full. I understand that I am responsible for paying fees even when classes are cancelled due to inclement weather, or other unforeseen circumstances, and that make up days will be offered if at all possible. Should our family elect to shift enrollment, or choose to leave the cooperative, we will notify Aeon administration at least 30 days in advance to allow Aeon staff time to address the resulting shift in class community and monthly income..
