## ***AAHU Legislative Update Election 2020***

*A quick update for you on Arizona election.*

### **At Least 600K Ballots Remaining in Arizona**

According to Arizona election officials, as of 11AM this morning at least 600,000 ballots remained to be counted in Arizona. A larger portion of those votes are early ballot that were dropped off on election day. Additionally, about 450,000 of the uncounted ballots are from Maricopa County.

Counting in all the counties is ongoing and we are expecting an update on the latest numbers this evening at around 7PM Arizona Time.

Many races in Arizona are still too close to call and there are a significant number of votes left to be counted that could impact the balance of power in Arizona.

### **Election results and 2021**
