

Sound Ministry Semi-Annual Report May - October 2014

Purpose:

We support the vision of RRTEC of being a Spirit led people who know and obey the voice of God. The sound ministry believes “faith comes by hearing and hearing by the Word of GOD.” It is our job to get the Word out so that lives are changed. This will be done using quality equipment and a qualified and well trained team. We recognize this as our part of the vision and it is our service to the Lord. Our focus is Sunday and Tuesday Going to Another Level services as well as rehearsals and special programs.
