Dear Parents/Carers

Welcome back to the first newsletter of 2019. The staff would like to express their thanks to you for all the lovely gifts they received at the end of term. The children have returned back to school full of enthusiasm. On Tuesday they participated in an Assembly based around our 'Bee Rules' focussing on respect, being thoughtful, being a good friend and we talked about safety inside the school and outside at break times. Atlantis are on a trip today at Sea City as part of their topic learning about Titanic and we are looking forward to hearing all about their visit.

[GB Athlete Visit](#)

Last term you received information regarding a visit from an athlete to Breamore on 21st January.

We are so excited to announce that 3 times World Champion and 4 times Paralympic Sailor, Hannah Stodel will be visiting us.

The day will start with an assembly led by Hannah where she will share her sporting journey with the children, allowing them to understand the hard work and dedication needed in order to achieve success. Afterwards, each year group will complete a challenging fitness circuit with Hannah and have the opportunity for a meet & greet. During this time, they will also learn about healthy living and the importance of developing a growth mind-set.

Your child has received a sponsorship form to complete for the event. These forms should be completed and returned to your child's teacher along with the money raised (which should be in a sealed envelope). **The funds raised will not only support our GB**

sporting stars, we will also receive a large proportion of the money to enable us to purchase new PE equipment.

[Report on the first ever 'Day Explorers' lunchtime club.](#)

At 'Day Explorers', we watched Newsround and logged onto The Day Explorer, which is a website. Children from Years 2-5 came along. It was fun learning facts we didn't know before. I liked Kat and Fergy the cartoon creatures. I am looking forward to seeing whether the news headlines we voted for are published next week. By Sienna.

[Car Park Safety](#)

Please work with us in driving and parking sensibly in the car park. In that way, we are at less risk of accidents and if cars park closer together, more parents can park at School. Please be aware that reversing cars cannot always see small persons, so please

keep your children close to you and use the walkways and crossing. Please take extra time to reverse and always do this slowly.

If the car park is full, please do not park on grass verges or obstructing driveways or on the yellow zigzags outside the back gate.

Thank you for your support in keeping our car park safe and our neighbours happy!

Eco top tip

Open blinds and curtains each morning to let any Winter sun in to warm your rooms during the day.
