Dear Parents/Carers

Turing had a lovely day out this week as they visited the Watercress line. Make sure you check the pictures on Twitter.

We are a healthy school and part of our responsibility as such is to encourage children to make healthy choices about food. When outside at break time I have noticed a lot of crisps and chocolate bars as snacks at break. Please could I remind you that snacks should be fruit or cereal bars. If you would like more information on ideas on healthy choices for lunch boxes follow this link:

Key Stage 1 children are supplied with fruit each break time free of charge. A portion of cheese straws or cheesy bread (alternate days), raisins, orange and apple juice **can be bought by children in Krafft, Turing and Merian at break time.** Items cost between 15p and 55p. These items are all sugar controlled and you are welcome to send your children in with a small amount of change to purchase.

Thank you for your support.

Next week Year 6 sit their SATs. They are well prepared and we wish them every success. As usual there is a breakfast every morning. The purpose of this is to foster a sense of togetherness and team spirit and allay any nerves. If you haven't signed up please do consider it. It is always a nice way to start the day. Thanks to Sam in the kitchen for organising and cooking. Also many thanks to Mrs Ingram and Mrs Foord who have worked so hard to make sure the

children are ready and confident for these assessments.

## WW2 afternoon

Parents of year 6 have today received a letter detailing a wonderful opportunity! On Thursday year 6 will travel up to Hale Primary for a talk from a gentleman about his WW2 experiences and a special screening of a Spitfire documentary. Please return your permission slips as quickly as possible to help make the most of this special afternoon. There will be no cost but year 6 will need collecting from Hale at 3:30pm please.

## Health and Safety Matters

### **Parking:**

Please can you share our car park rules with any friends, taxis or relatives who may be dropping off or picking up your children at school. Please always be mindful that queues on to the main road quickly build up if cars have stopped in the middle of the car park so please park at the edge as swiftly and safely as you can.

## Lunchtimes:

When we can, we like to take the children out onto the field. Our premises are checked for any hazards regularly and staff report any issues promptly. As you would expect, rabbit and mole hills do exist in the field and we ask children to take care outside and to let staff know if they spot any problems.

## Vacancy:

We are looking to employ a temporary part time person to help us with various maintenance projects around the school until September. If you have basic carpentry, decorating and gardening skills along with an enthusiastic nature, please ask at the Office for more details and an application form.

## Eco Tip:

Avoid buying products that are packaged for single use as much as you can (e.g. dog food, school lunch items and drinks). Buy the products in bulk instead and transfer them into your own reusable containers

## Clubs

Due to hall use requirements, there will be **NO** Zumba on 23<sup>rd</sup> May

There will be **NO** Lego club on 17<sup>th</sup> May as Potter class are visiting Breamore Church

running a waiting list for anyone that wishes to join.

## School photos:

**There are changes coming with regards to data protection. The school photo company have asked to make sure all parents are happy to have their child's photo taken. Please inform us if you DO NOT want your child to be part of the class photograph to be taken on Wednesday 24<sup>th</sup> May**
