

NEWSLETTER

Dear Parents/Carers

This week we have been thinking about the importance of prayer and how to pray. The children have been tasked with writing a school prayer. We look forward to sharing it with you.

Attendance:

As we start the new term just another reminder how Important it is that your child has good attendance. I have attached with this newsletter a section from the data report that Ofsted look at before they visit the school. You will see it clearly shows that our attendance percentages for those that are persistently absent (below 90%) and absences are higher than the national average. Judgements about the school will take this into account. We really do need your support in improving attendance. Work with us.

Learning logs

We are always looking for new and improved ways to keep parents informed about what your children are learning in school. We have therefore begun using a new app called 'Padlet' to record our weekly learning logs, instead of the traditional tweets sent out each week. This allows the children to add their own entries and upload photos of their learning. Each class will tweet a link to their page every Friday as usual, so parents will be able to access the learning logs through this. Let us know what you think! Thanks to Miss Coombes for teaching us all how to use it!

Eco Top Tip

If you're thinking about have a January clear out don't throw everything away. There are lots of things around our homes that can be recycled. For example, any spare clothes hangers can be given to your local dry cleaners.

Menu change

Next Thursday we will changing the menu just for one day and will be offering Hot dogs and Quorn burgers in buns. We are sure these will popular choices for the children!

PE Kits

Thank you for remembering to bring in wellies – please can we remind you that full PE kits need to be in school every day. This includes trainers AND plimsolls. Any child that doesn't have kit, unfortunately, has to sit out of the lesson and it is such a shame that they miss this important activity.

Reading Clinic

Come along on Wednesday 24th January at 9am to find out lots of ways to get your children reading for pleasure. This would be great for parents of 'reluctant' readers, but also parents of avid readers who want to encourage a wider reading of different and exciting materials. Hope to see you there – Mrs Ingram

Wednesday 24th January	Parents' Reading Clinic & Coffee Morning 9am
Wednesday 24th January	KS1 to New Forest Wildlife Centre
Friday 26 Jan	Bake sale – Potter
Wednesday 31st January	Years 5 & 6 to Winchester Science Centre
