

NEWSLETTER

Dear Parents/Carers,

The summer term always promises so much...let's hope the sun warms up a little more!

Every year we attend a service for Year 6 leavers at Winchester cathedral. This year's theme is Stewardship - **working together to protect God's world and to serve the common good.** In particular we are thinking about

bees! The whole school will have a focus on learning about the important part bees have in our food production and eco system and the ways in which they are endangered.

Our aim is create a Breamore Bee garden and to promote the planting of pollinators in our community.

On June 7th the whole school will be taking part in a bee themed art and DT (design technology) day which will culminate in an assembly for parents and a sale of the goods made.

More details will follow but if you have any expertise, contacts or ideas please talk to us!

Summer Production

Our hotly anticipated summer production this year is.....

The Button Box.

As usual this involves every child in the school. Ticket arrangements will be announced soon – see dates below.

Health and Safety Matters

We would be very grateful if parents can park only in the main car parking area and not in the staff gravel parking area on the left hand side as you drive in. The taxi area and disabled parking space should also be kept clear. Our fence has been hit by parents' cars a number of times and has just recently been repaired. Please drive slowly and carefully especially when reversing at all times. Thank you for your support.

Avalon dog treat sale!

Mon 20th May- after school- Avalon doggy treat sale in aid of WVS. Come and buy healthy and delicious snacks for your canine friends- no wheat or nasties! Great gift idea as well. It's a first-time event for Breamore so please support and it might become a tradition!

Mathletics

Well done! 63 children completed their 1000 points on Mathletics with year 2 having the highest participation. Let's keep it going!

Sports Reports

At the tag rugby at Burgate, we had a lot of fun. The young leaders were great and taught us a load of new skills. We had some fun matches at the end to finish off a great day
Tristan

Eco Tip

Waste not, want not. Did you know that 7.3 million tonnes of food is wasted in the UK every year? This isn't just a huge waste of food and money, it adds to the amount of CO2 being created in landfills. Use left overs to create new meals.

Head lice

We have unwelcome visitors in school! Please take some time over the weekend to check your children. More advice can be found here

<https://www.nhs.uk/conditions/head-lice-and-nits/>

Message from FABS

Our next event is the annual sponsored Welly Walk on Tuesday 21 May at 1.30pm. The whole family are welcome to join us on a ramble in and around Breamore Village. Look out for sponsorship forms in book bags next week.

NEWSLETTER

Other events are in the pipeline and we will be looking for raffle prizes and volunteers! More details to follow.

Again, please also remember easyfundraising.org.uk and look up Breamore School.

Thank you once again for your continued support.

Kind regards

Emma Clark
