

NEWSLETTER

Dear Parents/Carers,

What a great day we have had! There has been a real buzz around school (forgive the pun!). Thank you for your donations and the wonderful costumes. Children have learnt all about bee keeping, the importance of bees in pollinating our food, wildflowers for pollination and much more. We are working with the children to design our bee garden so watch out for more bee related news!

TerraCycle and Garnier are launching an amazing contest for all Primary Schools based in the UK. TerraCycle and Garnier have partnered to create a free recycling programme for all beauty product

packaging. The school that sends in the most accepted waste before the 5th of July 2019 will receive a recycled playground makeover worth £10,000. The winning school will be able to choose from a selection of play equipment or gardening equipment made from recycled material worth £10,000. Depending on the prize selected, the overall area required to install the prize could be up to 25m x 3m. Please bring your accepted waste (see details attached) into the school office.

Arts Council Competition Winners!

Avalon have won in 3 categories of an arts-based competition organised by the University of Winchester! The event, designed to engage children in the ongoing debate about the refugee crisis, required children to respond with poetry, animation, writing, artwork or models. Avalon feel passionately about this subject, having studied it extensively in the Spring Term. Well done to these categories & winners:

Animation: George, Ellie, Noah,

8-11 Poetry: Ben, Emily B, Tristan, Sam, Emily O, Henry

8-11 Artwork: Georgina, Adley, Morgan, Ella, Yves, Hannah, Lily and Seb.

The judges were very impressed indeed with all submissions from Breamore. We were the only school to win in more than one category! I received this feedback: *"Perhaps I can say I think your pupils' work is very impressive. When we unwrapped the one piece, it quite took my breath away. Well done, Breamore."*

This is praise indeed from university professors! There will be an assembly on Tuesday 18th June, where we will welcome Professor Melrose and Teri Sandison MBE to award the children their prizes. Parents of Avalon Class are warmly invited. I am liaising with the university to confirm a time; I will send this on ParentMail as soon as I can. Our thanks to Mrs Anderson, who worked with us to develop our poetry skills in anticipation of the competition. If you would like to find out more, please visit <http://the-immigration-boat-story.com/> Mrs Ingram

National Clean Air Day 20th June - Bling your Scooters!

As you know, we recently achieved a bronze national school travel award and we are now working towards silver. To recognise National Clean Air Day on 20th June, we would like to invite children from 100 Acre Wood, Aristotle Street and Avalon to bring in scooters and helmets from home and take part in a trail activity on the school grounds during the day. Atlantis class will be at the Watercress line that day. Children are also very welcome to 'bling' their scooters at home before the day - it would be lovely to have a parade around the playground of all the different designs! If you would be happy to let another child share your scooter or helmet, please can you let the office know as we appreciate not all children will have them. Thank you for your support.

NEWSLETTER

Mathletics and TT Rock Stars

Over half term only 36 children completed their 1000 points – Well done to those children but where were all the others?

The children are getting faster on TT Rock Stars and we have a growing number of Rock Legends. Keep practising those times tables to get onto the leaderboard.

Eco Tip

If you have let your food go that little bit too far past its 'best by' then you need to be sure to compost it rather than putting it in the bin. Not only will this help create a natural fertiliser and keep your garden green, it'll also reduce the amount of waste going to landfill - and as it won't break down anaerobically, there will not be a build-up of methane gas.

Clubs

There will be NO KS1 sports next Tuesday 11th June but we will run a combined KS1 and KS2 sport clubs on Thursday 13th.

Message from FABS

What a beautiful afternoon we had for our Welly Walk! Please remember to bring your sponsorship money if you haven't already.

On Friday 14th June, we're holding a pop-up shop for children to choose a small gift for their Dad, Grandad, Uncle or any other special person. Forms will go home for pre-order and we will have some spares but these will be on a first come first served basis.

Also on Friday 14th June, in exchange for a non-uniform day, we are asking for donations for our tombola stall as follows: Avalon – Bottles, Atlantis – Toiletries or gifts, Aristotle Street – biscuits, 100 Acre Wood – chocolates or sweets.

The next Bag2School collection is on Wednesday 19th June so please keep hold of your good quality used clothing. Bags have

already gone home more are available from the office.

Our Summer Festival will be after school on Friday 28th June and we'll need some extra volunteers – watch this space! We're also always on the lookout for some raffle prizes, please let the office know if you can help.

Our next meeting will be on Monday 10th June at 2.30pm at school. Please come along if you would like to help or have any fundraising ideas. We currently only have two official committee members with the position of secretary still vacant. Please let either Amanda or Tara know if you are interested.

Open Gardens

Please see the attached information for Woodgreen and Hale open gardens and annual show.

Summer Fair at Hale

Please see the attached information for Hale Primary School's Summer Fair and Bake Off.
