Dear Applicant:

This letter is an acknowledgement of your request for a Public Housing application. We are providing you with a **Preliminary Application**. The purpose of the pre-application is to permit the Housing Authority to preliminarily assess your eligibility or ineligibility and to determine placement on the waiting list.

In order to qualify for Public Housing, you must first be (1) 21 years of age or older, (2) 18 years of age and married, or (3) have had your minority disability removed by the proper chancellor under Miss. Code 1972 93-19-1 et seq (1994 rev).

Completed applications may be returned to the Housing Authority by mail or submitted in person during normal business hours. **Your date and time of application will be the date we receive the pre-application.**

You will be notified by mail to come into our office to make your formal application and determine if you are eligible for the program by verifying information you have given about your family composition, family income, past references and preference status. You will be required to provide certain documentation at that time (*ex. social security cards, birth certificates, picture id, documentation of income and preference status*).

You are required to inform the Housing Authority in writing within ten (10) calendar days of changes in family composition, income, and address, as well as any changes in preference status.

You are also required to respond to requests from the Housing Authority to update information on your application, or to determine your continued interest in assistance.

Failure to provide information or to respond to mailings will result in your application being removed from the waiting list.

Thank you, Public Housing Department
