A MESSAGE FROM PASTOR REBECCA

Dear Church Family,

I love living in the Green Mountain State. The tree-covered mountains are beautiful all-year-round. This summer has been so sunny that many lawns were turning brown and watering was a daily necessity. Recently, the heavens have opened and rain has poured out on us. It almost seems as though it was playing catch-up from those hot, dry weeks.

There is interplay between the sunshine, the seeds and plants, and water. Movement and self-giving for each of them results in life that feeds us, body and soul. It reminds me of the dance and outpouring of each member of the Trinity – Father, Son, and Holy Spirit. How are they moving and creating new areas of growth in your life? Do you ever feel like a hot, dry garden full of drooping plants that are waiting for water? If so, you might pray the words of the Sonflowerz song, *Cover Us*, along with me.

*Cover us in Your Spirit cover us
Cover us in Your glory cover us
That we would shine for You Jesus*

*Cover us in Your mercy cover us
Cover us in Your healing cover us
That would be like You Jesus
We want to be like You*

*Lord what we desire most
Is that You to saturate our souls
In the presence of Your love
Like a flood
Lord keep us close in Your embrace
Let us live within Your grace
In the presence of Your love
Like a flood cover us*

*Cover us in forgiveness cover us
Cover us in Your freedom cover us
That we live for You Jesus
We want to live for You*

So let Your rain fall down

*Love in Christ,
Pastor Rebecca*

MISSIONS COMMITTEE – submitted by Jeff Linebeck

Blessings and Peace from the Missions Committee!

July was an active month for Missions at First Baptist. We started the month by continuing our “Treasures in Empty Jars” collection for clean water/famine relief in East Africa. We happily distributed bottled water and home-baked cookies to the visitors of the StreetFests on Main Street and collected donations there and during our worship services. I am pleased to say that we will be donating \$250.00 to World Vision, which with the 11X match will generate \$3000.00 for these initiatives. Well done, good and faithful servants.

We then began our annual collection for “One Great Hour of Sharing.” to date, \$170.00 has been collected. Updates to follow.

On July 22nd, Martha Thompson gave a heartfelt appeal for the “Kids Summer Lunch Program.” Our local missions funding has supported this program for several years. We decided to make a separate appeal this year for you to consider donating directly to allow the funds to be put to work for more than 400 local children as quickly as possible.

Finally, on July 29th an appeal was made for our local missions funds. Attendance is generally down during the summer, but the needs of those less fortunate continue unabated. Please consider what you can do to help. Even small amounts in God's hands can do “More than We Could Ever Imagine!”

Thank you for your prayers and support for our valuable mission work.

Yours in Christ's service,
Jeff Linebeck, Martha Thompson, Barbara West and Lisa Towslee

INTERFAITH NEWS

Neighbor to Neighbor, which is one of the organizations that operates under Interfaith's 5013c, is planning to host a Pie Auction on Nov. 17 at the Inn of Manchester's Celebration Barn.

We are striving to solicit 100 pies from the community.

If you have a specialty pie or pies that you are willing to bake for this event that would be wonderful. Neighbor to Neighbor will furnish one or two pie plates if you need them. Our own Jim Comar is going to be the honorary chairperson and plans on baking his grape pie. There is a sign up sheet on the bulletin board and questions can be directed to Martha Thompson at 362-3473 or the Neighbor to Neighbor office 367-7787.

The Summer Lunch program is underway and they are feeding 200 children this summer. It costs between \$13 and \$15 to feed one child for a week. There are envelopes available in the "golden "bags at church.
