

# 12 Prayers for a Bold and Courageous Faith

## Serving Leaders in Life

The following prayer points are written by Doug Clay, Assemblies of God General Superintendent.

*“Rejoice always; pray without ceasing; in everything give thanks; for this is God’s will for you in Christ Jesus”* (1 Thessalonians 5:16-18).

*“O our God, will You not judge them? For we are powerless before this great multitude who are coming against us; nor do we know what to do, but our eyes are on You”* (2 Chronicles 20:12).

**Pastor:** Prayer is even more critical during times of crisis. Here are 12 prayers that may be helpful for your personal life as well as your **VOCATION AND CALLING**. May these prayers be a part of how you pray without ceasing, keeping your eyes on Jesus.

*Father, thank you, that “Your name is a strong tower, where the righteous can run to You and are safe”* (Proverbs 18:10).

- We pray for the health officials who are working around the clock to protect us. Give them supernatural wisdom as they seek to create a vaccine and antidotes to combat this virus.
- We pray for our courageous first responders in the medical field who are working for the health and safety of our communities in hospitals, clinics, and emergency rooms.
- We pray for God to grant wisdom to governmental leaders throughout the world on national and local levels, regarding the actions that are to be taken in order to protect the citizens they serve. Your Word assures us that if any person lacks wisdom, we can ask You and You will give it generously.
- O Lord, we lift to You our concern for people who are more likely than others to become severely ill from COVID-19—the elderly and people with chronic health conditions. Protect them from harm and be their comfort in this time of uncertainty.
- We pray for the health and well-being of those who have already been affected by this virus. Lord, during Your ministry on earth, You showed Your power by healing people of all ages from physical, mental, and spiritual ailments.

- Be present now to people who need Your healing touch due to COVID-19. You are a God who heals ALL of our diseases.
- O Lord, please also take away the fear, anxiety, and feelings of isolation from people receiving treatment and those under quarantine. Protect their families and friends and bring peace to all who love them.
  - We pray for those who have been impacted financially from this interruption. Thank you Lord for supplying their needs according to Your riches and glory.
  - We want to pray for a faith that will not only endure through this, but will grow, and lift up the name of Jesus, our Savior, Baptizer, Healer, and soon-coming King, as we remember Your greatness and know that NOTHING is too difficult for You.
  - We believe that prayer unites us. We will keep in mind that we are greater than the hardships we face, and through acts of compassion, we will rise to this challenge and emerge stronger and more united than ever before.
  - God, we pray for a spirit of peace, and that a pandemic of hope would spread globally as Your people, who are called by Your name, will live out their faith in the midst of this crisis.
  - You have not given us a spirit of fear, but of power, love, and a sound mind (2 Timothy 1:7).
  - Thank You, that You are the source of hope, and You will fill us completely with joy and peace because we trust in You (Romans 15:13).
