

# Expand Your Ministry Support from Franklin Graham

## Serving Leaders in Ministry

**Pastor:** This time of uncertainty can feel like it is going to last forever and can be discouraging. Many pastors are feeling alone. I hope you take comfort from the following letter from Franklin Graham.

### From the Desk of Franklin Graham:

Dear Friend,

I wanted to write you with an update. The coronavirus has turned everyday life for most people upside down. America, like most of the world, is in a state of emergency. Millions are faced with unemployment or business loss, and most tragic of all, **so many are facing this pandemic without the hope of Jesus Christ.** People are filled with anxiety and fear.

At the Billy Graham Evangelistic Association, **we opened a 24/7 prayer line** for people who want someone to pray with them. Early this week, we began **airing a 60-second evangelistic message on TV** across the entire United States, and we have had thousands of people call.

We are humbled by this opportunity to share about His love and salvation.

If you are struggling with worry in the midst of this crisis, call us at 888-388-2683—or share this number with your loved ones, friends, or others on social media. We know that prayer does make a difference.

Chaplains with the Billy Graham Rapid Response Team are in Italy, the epicenter of this crisis. As they minister to medical personnel, patients, and families, pray with us that many will find new life in Christ.

I am deeply grateful for your partnership. **Your financial support and your prayers make this ministry possible.**

The days may feel uncertain, but we serve a God who is the same yesterday, today, and forever. He alone “is our refuge and strength, a very present help in trouble” (Psalm 46:1, ESV), and we are urgently sharing that truth with a hurting world.
