Levels of Membership

The Irwindale Chamber of Commerce has several membership levels for your consideration. Businesses and organizations have several options for investing in Chamber membership. Each level provides additional value added benefits and marketing exposure. Members have the option of upgrading depending on what benefits they wish to take advantage of. The highest level is the Cornerstone Club membership (Corporate and Small Business Levels) and that provides tremendous value and exposure for your business or organization. We develop a customized membership package depending on your specific needs. Membership in the Irwindale Chamber is a positive investment for a business or organization that wants to invest in an organization that promotes a strong local economy, promotes the community, provides networking opportunities and business connections, and serves as an advocate for business interests.
