

Balloons 101

The Unofficial College Level balloon class for kids and adults of all ages!
taught by Brittany from **Balloons By Brittany**

Class structures (Classes can be catered to an audience of any age!)

Parent N' Me Balloon Class: Great bonding experience! Students bring a parent along to learn and help along with them during the class (Great for younger children)

Adults Only: Sometimes adults just want to have fun too! (great to help older people retain fine motor skills & help to form an outlet for creativity)

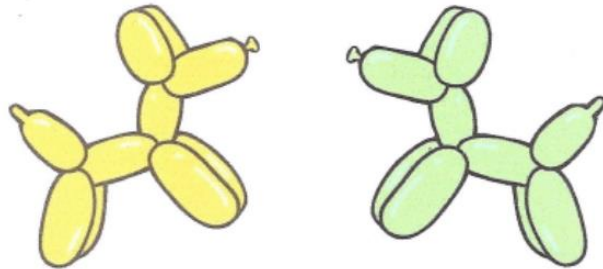

Tweens & Teens: For younger adults trying to pick up a new hobby and have some fun away from a computer screen. (A great way for shy teens to come out of their shell and showcases their creativity.)

Students Will Learn

- The anatomy of a Balloon
- Types of balloons and what they're used for
- Balloon safety and handling
- 5 different Balloon designs including a dog, sword, flower, twisty hat & one mystery seasonal design!

Balloon twisting helps promote:

- Perseverance
- Fine Motor Skills
- Focus
- Critical Thinking
- CREATIVITY

At the end of each class each student with “graduate” and receive a diploma for the completion of Balloons 101 as well as get to take home the 5 balloons they created.

****Gifts bags can even be added to allow students to bring home all they need to expand upon the fun at home!****

GREAT FOR LIBRARIES & SCHOOL FUNDRAISERS OR A NIGHT OUT.

These classes can also be booked as a birthday party. We also offer the “pay for your spot option “if you want to host a class open to your friends & family at your house for a night out!
