Medicare Beneficiaries! Are you currently receiving Medicare and paying for your Part B monthly premium? If so, there is a program that may be able to assist you with that premium cost. If your income is under \$1,357/single or \$1,827/married and your resources/assets are under \$7,390/single or \$11,090/married then you may qualify to receive assistance through the state with a program called the Medicare Savings Program. This program may help pay for your Part B premiums and *potentially* assist in also paying for Part A premiums, deductibles, co-insurance, and copayments, depending on your income level. To see if you are eligible and apply for this program, contact Ali Jones with the Pennyriale Area Development District in Hopkinsville, KY at (866) 844-4396 or (270) 886-9484.

West Kentucky Workforce Board Seeking Programs to Serve Area Youth

The West Kentucky Workforce Board (WKWB) will release a Request for Proposal (RFP) on March 15, 2018 to procure programs for Program Year 2017-2018 designed to serve 16-24 year old youth with barriers to employment in the local area. The RFP seeks programs that address the workforce and skill needs of youth under the Workforce Innovation and Opportunity Act (WIOA).

There will be a bidder's conference to address any questions about the RFP on March 20, 2018. The programs should be designed to serve 16-24 year old youth with barriers to employment in the seventeen (17) counties of the WKWB area through innovative initiatives, integrated learning and work based learning programs. The fourteen required WIOA youth elements must be addressed in all programs submitted. The designs should include skill upgrades and credentials along career pathways to prepare WIOA eligible youth for placement in employment.

The West Kentucky Workforce Board (WKWB) operates under the Workforce Innovation and Opportunity Act (WIOA). Under Title I of the Workforce Innovation and Opportunity Act of 2014, funds are provided to local workforce areas to deliver a comprehensive array of youth services that focus on assisting out-of-school youth and in-school youth with one or more barriers to employment, prepare for post-secondary education and employment opportunities, attain educational and/or skills training, credentials, and secure high demand sector employment with career/promotional opportunities. For more information about WIOA Youth Programs, review the Department of Labor Employment and Training website at <https://www.doleta.gov/wioa/>.

For more information or to request the RFP please contact Juliet Allen at (270)886-9484 or email at Juliet.Allen@ky.gov. Access to the RFP is also available on or after March 15, 2018 at <https://www.wkworkforce.work/>.
