

INFORMATION TECHNOLOGY MANAGER

The Pennyriple Area Development District (PeADD) is seeking a qualified, motivated, and self starting individual for the professional position of Information Technology Manager. This individual will be responsible for the operation, maintenance, and configuration of the PeADD's computer systems, network and communication technology. This individual will also ensure security of data, network access and backup systems as well as assist with public relations initiatives of PADD. The qualified candidate should possess a Bachelors Degree in Computer Science, MIS or related field with one year of work experience. Excellent organizational, communication, and computer skills are a must and the successful candidate must be able to handle a multitude of tasks simultaneously. PADD offers an excellent compensation and benefits package and a dynamic work environment. Mail resume and cover letter to Alisha Sutton, Administrative Officer, Pennyriple Area Development District, 300 Hammond Drive, Hopkinsville, KY 42240 by August 31, 2017. The position will remain open until filled. PADD is an Equal Opportunity Employer.
