Season Kick-Off Welcome to the 2018 season! According to the Farmer's Almanac the summer will see higher than normal temperatures, with less rainfall. A golfer's dream come true! We are looking forward to another season and are hoping for an early spring. [We invite you to stop into the clubhouse on April 14th, to kick off the season.](#) This is a great time to catch up with your golf friends, play cards and have some light snacks. We will be there rain, snow or shine.

Opportunity Knocking As many of you are aware, the golf course was listed for sale at the end of the 2017 season. We continue to own and operate the business, as we have in the past. We are happy to continue the family business. As a team, we decided it was time to present the opportunity to someone else, who may be looking to make an investment, and make the golf course their own. This would be a turnkey purchase allowing someone new to walk in with an already established membership base, nightly leagues, numerous tournaments and a chance to host additional events and celebrations. For anyone interested, additional information can be found at www.ucpalmerrealestate.com or by contacting our agent, Cindy Hubbard at 607-745-5199.

Golf Outings Throughout the summer we enjoy seeing the various groups that come to the golf course for a round of golf, and have enjoyed being a party of annual traditions for many. Keep the golf course in mind for your celebration, reunion or office gathering. We are able to accommodate groups of various sizes and would be happy to discuss how we can become part of your day.

Night Leagues Options for men, women, and couples are available again this year for leagues. We are always looking for substitutes for the leagues, if you are not interested in committing to every week. If you have a team and would like to join a league, we would be excited to have you. Please contact the clubhouse at 607.863.3800, or by e-mail, if you are interested in joining a league or a substitution list.

2017 League Participants: Please contact the clubhouse to let us know if you plan to play this year or not. This information is very important in setting up the schedule for the season, and to know if there is availability for new teams. We need to know this information on or before the league meeting.

Skins League: New this year will be a Skins League on Tuesday evenings. Keep your eye on the bulletin board for more information on this!

We have appreciated those that have been mindful of the rules regarding the use of personal carts. These rules will continue to be monitored and enforced. It is our expectation that only the owner and immediate family have the privilege of using personal golf carts. It is extremely rare that we do not have golf carts available for rent. On the very few occasions rental carts are not available, arrangements to use a personal cart must be approved by Management at the club house. Continued failure to follow these rules will result in the loss of the personal cart space. If you anticipate that you will be giving up your personal cart space, please discuss your plans with Todd before making arrangements with another individual to take over your golf cart and/or space. The personal cart spaces are managed by the golf course.
