PRAYER:

Christ Awakening Indicators:

Righteous Motivations: An awakening to the *fear of the Lord* rather than the approval of people, thus restoring integrity and credibility.

Neighbor Care: Neighborhood transformation and an accompanying decrease of social ills through increased expressions of “loving your neighbor” in service, compassion, and unity.

Pray together asking God to restore morality, ethical foundations, and accountability among leaders of church and government, business and politics.

Pray for those in authority: Our President, cabinet members, and Supreme Court; pray for your Governor, Senators, U.S. Congressman and state officials; pray for local officials and law enforcement, the judiciary and first responders.

Our nation needs praying churches with strong prayer leaders—trained and equipped by qualified prayer trainers!
