## America Is Desperate For Change

The only hope for change is in the spiritual climate of our nation, and it begins at the grassroots level.

In response to our nation's need and God's Biblical and historical pattern for bringing awakening to America, we are calling for extraordinary, united prayer.

Sacred assemblies are primarily held 12:00 noon on 9/11 at county courthouses, churches, or other public venues. To learn more about how you can participate visit: [awakeningamerica.us](http://awakeningamerica.us)

In theaters  
August 28, 2015

From the award-winning creators of *Fireproof* and *Courageous* comes *WAR ROOM*, a compelling drama with humor and heart that explores the power that prayer can have on marriages, parenting, careers, friendships, and every other area of our lives.

Tony and Elizabeth Jordan have it all—great jobs, a beautiful daughter, and their dream house. But appearances can be deceiving. Their lives take an unexpected turn when Elizabeth meets Miss Clara and is challenged to establish a “war room” and a battle plan of prayer for her family.

Opening nationwide in theaters August 28, *WAR ROOM* is a vivid reminder that prayer is a powerful weapon.

PRAYER:

**Christ Awakening Indicators:**

Join Jesus followers in prayer for a transformation of society through the restoration of Christ's influence in the arts, media, and communications. Pray for a restoration of morality, ethical foundations and accountability among leaders of church and government, business and politics.

Pray for...business owners of all types, asking for divine favor and witness. Pray for teachers, coaches and school staff asking God for their positive example and influence; pray for wisdom and grace for home-school parents; pray 2 Timothy 2:22 for students of all ages.

**Cry Out America** was initially promoted as a 9/11 noon-time prayer meeting at every county courthouse in America. People began Crying Out in repentance and asking God for mercy at the place of justice. Since 2007, COA has mobilized hundreds of thousands at 9/11 prayer gatherings in all 50 states. People join hands and hearts across major denominational lines—all coming together under the banner of Christ.

[awakeningamerica.us](http://awakeningamerica.us)

The historical patterns of America's Great Awakenings indicate that in times of a seemingly hopeless environment, God chooses to move in response to the cries of His people. We are CRYING OUT TO GOD seeking a deep transformation and a Christ-awakening in America.
