We are heading into the last half of the fourth term. The year has been chaotic and lots has happened at school and for families. Remember to keep scanning Covid19 QR entry codes as you go about your day. We don't want to be in any form of lockdown over Christmas.

You may have noticed we are locking the gates during the day. This supports entry to the school during the day through the office so we can help monitor who and when people are on site. We also have a few children who have decided they like to leave the school. The locked gates minimize this risk. This week we were late in unlocking the gates at the end of the day. We apologise for any inconvenience that occurred. We can't guarantee it won't happen again and we will do our best to have the gates unlocked around 2.55 p.m.

### Road safety

If you are waiting for your children in a car after school and park on the opposite side of the road we ask you to get out of your car and meet your children on the school side of the road to support them crossing safely as 3.00 p.m. to 3.15 p.m. is a very busy time due to our school and the intermediate students heading home.

For those children who live east of the main highway we have a teacher who walks and crosses the children at the pedestrian crossing. Please encourage your children to walk with the group. I will be talking with those that don't.

### End of year events.

There are a few events and happenings coming up. We ask for your support with these. Please check Skool Loop and bags as we are duplicating things online and on paper until we know our messages are getting through.

**Disco** This Friday 6.00 p.m. to 7.30 in the school hall. Thanks to the Home and School for this.

**Christmas raffle.** Tickets went out this week. Please get them back in with donations for the prize draw as soon as possible. Check bags if you didn't get one.

**Calendar Notice** coming out tomorrow. Order your calendars as Christmas presents for family. Please ensure any photos you take are **landscaped**.

**Swimming** Rooms 6 and 9 next week. Rooms 7 and 10 in Week seven.

**North Otago Athletics** After School Monday 23<sup>rd</sup> November

**Year Six McKerrow's pond day 3<sup>rd</sup> December.** Check for notes on this.

**End of year.** We will be finishing on Tuesday 15<sup>th</sup> December around 1.00 p.m. Keep your eyes out for details on this. Aiming to make it a bit of a fun day.

Have a great weekend

[www.nextchapterparenting.co.nz](http://www.nextchapterparenting.co.nz) is offering a free parenting course to parents who might be having a struggle in managing their children, or just need some tips and advice. This course does work and has the potential to be very helpful. All it requires is for parents to look, read, watch and hopefully gain out of the process. The course is offered on the website and is set out in video, and in written format. Based on filial therapy principles, it is child centred and most definitely works for those that put in the time. Have a look! And happy parenting:)
