

# TRIBAL YOUTH ENVIRONMENTAL SUMMER CAMP JUNE 10-20, 2018

Eight Northern Indian Pueblos Council, Inc. Office of Environmental Technical Assistance in collaboration with Pojoaque Pueblo and NMHU will be hosting a summer camp for students between the ages 14-19.

- Gain hands on experience with water quality instruction and field demonstrations by Tribal environmental professionals
- Demonstrate the basics of map making
- Learn about the environmental and natural resource issues Tribal communities face
- Learn the ecology of Northeastern New Mexico – you may see a herd of buffalo!
- Gain tips on how to succeed in college
- Enjoy these experiences & more with the company of students from various parts of the Southwest

**Field Camp location:  
Rio Mora National  
Wildlife Refuge
