## Invitation for Vendor Exhibits

You're invited to participate in the 2015 TNGIC Regional East Tennessee Forum GIS Conference, to be held Tuesday, September 22<sup>nd</sup>, at the Eastman Lodge in Kingsport, TN. This event is sponsored by the Tennessee Geographic Information Council (TNGIC). This event will be similar to the one-day events held over the past several years (2014 in Knoxville, 2013 in Chattanooga, and 2012 in Kingsport).

This conference offers you a great opportunity to showcase your products and services to professional users of GIS hardware, software and services from across East Tennessee and surrounding regions. Participants include working professionals in a wide array of fields, including City, County and Regional Planning; Transportation; Environmental Consulting, Management, and Monitoring, Real Property Tax Service; Engineering; Mapping; Surveying; Social Services; and Education. They work at all levels of Government, Education, and in the Private Sector. Our goal for this year is 150 or more registered attendees.
