

2018 Eastern Regional TNGIC Forum

Invitation for Vendor Exhibits

Thursday, September 13, 2018
Eastman Lodge: Kingsport, TN

You're invited to participate in the 2018 TNGIC Regional East Tennessee GIS Forum, to be held Thursday, September 13th, at the Eastman Lodge in Kingsport, TN. This event is sponsored by the Tennessee Geographic Information Council (TNGIC). This event will be similar to the one-day events held over the past several years (2017 in Chattanooga, 2016 in Knoxville, and 2015 in Kingsport).

This conference offers you a great opportunity to showcase your products and services to professional users of GIS hardware, software and services from across East Tennessee and surrounding regions. Participants include working professionals in a wide array of fields, including City, County and Regional Planning; Transportation; Environmental Consulting, Management, and Monitoring, Real Property Tax Service; Engineering; Mapping; Surveying; Social Services; and Education. They work at all levels of Government, Education, and in the Private Sector. Our goal for this year is 150 or more registered attendees.

A vendor registration form is attached with this document. If you have additional questions or comments please contact the Vendor Services Coordinator: Christopher Pape, GISP, via email @ cpape@washingtoncountyttn.org or by phone @ 423-753-0718 / Cell @ 423-202-6818

We look forward to seeing you there.

Sincerely,

Chris

General Information concerning Vendor Exhibits

Display booths will have access to one 6-foot table and two chairs. Each display area will have access to electricity. Vendors will need to bring all accessories, including extension cords. Please contact Christopher Pape, Vendor Coordinator, with any other questions.

Non-Profits are limited to only 501(c)3 charities and based upon space available. The Federally-assigned Employer Identification Number (EIN) under which their non-profit status is registered will need to be included on the registration form above.

WiFi will not be available for public use.
However, we may be able to accommodate for WiFi on a case by case basis.
Please let us know of any special needs.

Company / Organization Representatives must register themselves through the attendee registration process. The conference committee will attempt to ensure all representatives are registered, however we do appreciate your assistance with this.
