

TNGIC West Tennessee Forum on Geographic Information Systems

Held at the STAR Center, 1119 Old Humboldt Road, Jackson, TN 38305
October 21st, 2015

CALL FOR PRESENTATIONS

TNGIC is currently accepting presentation abstracts for the upcoming West Tennessee Forum on Geographic Information Systems in Jackson, TN. We welcome How-To demonstrations and all GIS related topics, especially those relating to West Tennessee projects. Please review the guidelines and fill out the form below.

- Each speaker will be allowed 20-45 minutes – including time for questions from attendees.
- Electricity, projector, internet, laptop and screen will be provided.
- Deadline for Presentation Submission is **September 30th, 2015**.
- There are a limited number of presentation slots available. We cannot guarantee that all submissions will be accepted.

Questions and abstracts should be directed to: Jason Duke, jason_duke@fws.gov
Visit the TNGIC website for more information: <http://tngic.org/2015-regionals.htm>
