

# TNGIC Tennessee Geographic Information Council

## Annual GeoCache Event

**What it is:** Geocaching an outdoor treasure hunting game using GPS enabled devices. Participants navigate to a specific set of GPS coordinates and attempt to find the cache. The Cache can be anything from a container full of items or a physical item that you have to describe. This is a great event for adults and children alike!

**When:** April 23, 2019 @ 3 PM

**Where:** Chattanooga Convention Center

1150 Carter Street  
Chattanooga, TN 37402

**(The starting location will be the Duncan-Parnell Booth)**

**Price:** Free!!! Just Bring your Smart Phone.

**Software & Instructions:** We will be using esri's Explore app for your smart phone. If you are using a Trimble GPS handheld or recreational GPS, please request the require file at the email below.

**How to Register:** Please register on Reg-Online

**Questions:** Contact Cliff Hoeffner
