Your ministry as an acolyte is very important. It is a ministry of service; you take an active part in the worship service. Some things to keep in mind on the Sunday you are scheduled to serve.

Please arrive in the Memorial Gallery at 10:45 a.m. and put on your alb (robe). Julie Craig or Jill Kimbirl will be there to assist you in selecting the proper size and help you tie your alb with the appropriate color cincture (rope).

When it is time to process a choir member or an usher will assist you by lighting your candlelighter and will tell you when to process.

****Note: If you cannot serve on a Sunday, it is your responsibility to call a substitute the schedule will be posted on the website.**

*****Please help one another. Acolytes with more experience please assist the less experienced acolytes (generally younger children). Remind them to tip the candle lighter and walk together at all times.**
