

OVERDOSE OR ROOFIED?

WHAT YOU NEED TO KNOW

A WORKSHOP FOR SERVICE INDUSTRY STAFF MONDAY FEBRUARY 27TH 6PM • THE BOAT 158 AUGUSTA AVE.

FREE

Learn early stage recognition of an overdose or intentionally drugged patrons and how to treat them. With the participation of the Queen West Central Toronto Community Health Centre, TRIP (Toronto Rave Information Project), the Kensington Market BIA, and City Councillor Joe Cressy, we aim to provide Bar & Restaurant management and staff with information, training and treatment options for dealing with overdoses and drugged patrons. This seminar includes access to free Naloxone kits for establishments. Space is limited: Please RSVP via Facebook: @NotInMyBar or patrick@KensingtonMarketBIA.com Instagram: @Kensington\_BIA
