An Invitation from the 2017 NCDS President

Dear Friends and Colleagues,

I would like to personally extend to you an invitation to attend the 2017 North Carolina Dental Society Annual Session. This year we celebrate the 161st anniversary of the NCDS. The theme for our meeting is "**Shaping the Future Together**". The founders of the NCDS laid the groundwork for successfully shaping the future of organized dentistry in North Carolina. Today, with our colleagues and staff members, we can continue along this path as we move forward together. This year's meeting will be held on May 18-21, 2017 at the Kingston Plantation Resort in Myrtle Beach, South Carolina.

Dr. Brad Adams, our Annual Session Chair, and his committee have put together a fantastic meeting this year. As you look through this registration booklet you will find many opportunities for world-class continuing education, family festivities, and several sporting events. Dr. Richard Hunt, our Program Chair, has recruited speakers who are experts in their respective fields. You can choose from over sixty-five hours of continuing education, including your CPR certification.

This year's golf event will be held at Tidewater Golf Club. Nearly two decades of exceptional ratings prove that Tidewater Golf Club is one of the best golf courses on the Grand Strand. To this day it remains the only course ever to be named "Best New Course" by both *Golf Digest* and *Golf Magazine*. Other sporting events include a fun run, tennis tournament, and bike ride. If you want to just relax, you can enjoy the pool or the beach. We have something for everyone!

On Thursday evening make plans to join us at the **NCDS Welcome Reception** in the exhibit hall. You will have the opportunity to socialize with your friends and colleagues and visit over 100 exhibitor booths. On Friday night, join us for the family-friendly Jimmy Buffett themed event, **Meet Me in Margaritaville**. The Palladium Ballroom at Kingston Plantation will be transformed into a tropical Margaritaville. The event will include a buffet dinner, a DJ playing Jimmy Buffet hits, dancing, kid's activities, games, and more. You can also capture memories at our Photo Booth. Delight in an evening with family and friends at this fun-filled NCDS party! Also, on Saturday afternoon we will have a special event just for kids 5-12 years old hosted by Atomz Lab.

Please review this booklet or visit our website www.ncdsannualsession.com to see more details about the 161st NCDS Annual Session. You can register there and reserve your hotel room at the special NCDS rate. Also, please be sure to download the **2017 NCDS Annual Session app** by searching NC Dental Society in the App Store or on Google Play. This app will give you access to the CE handouts, a map of the exhibit hall, a schedule of events, and much more.

Register now and take advantage of opportunities to network with colleagues and mentors. Reconnect with old friends and classmates, and share great times at North Carolina's Dental Meeting!

Finally, thank you for the opportunity and privilege to serve as President of the NCDS for 2017. I look forward to working with our Board of Trustees and the NCDS staff this year. The NCDS is committed to working together for its members and the people of North Carolina. I look forward to seeing all of you at the Annual Session in May.

See you at the beach!

A Letter From the ONSDS President

Dear Friends and Colleagues of the North Carolina Dental Society,

I bring to you greetings and salutations from the Old North State Dental Society (ONSDS). We continue to be excited about the relationship between our organizations, and the achievements that our collaborations have brought to bear. As you know, the ONSDS, founded in 1919, is the oldest historically black dental organization in the state composed mostly of African-American dentists practicing in North Carolina. We have deep roots within African-American and underserved communities in our state and are proud of our rich history of service to these populations. Contributing to the advancement of dental education, aiding in the enactment and enforcement of laws promoting excellent dental care, and espousing good inter-professional relations, continue to be our methods of achieving our overarching goal: to improve the health and well-being of the people of North Carolina.

Together, our two organizations continue to grow in our abilities to serve patients in need and in preserving organized dentistry. The ONSDS continues to contribute and volunteer in the NC Mission of Mercy (MOM), a service project with a history of providing dental services to thousands of individuals in various clinics around the state. At this well-regarded and highly-anticipated 161st Annual Session of the North Carolina Dental Society (NCDS) approaches, the ONSDS is pleased to be part of this meeting, "Shaping the Future Together". We encourage our ONSDS membership and friends to register and participate in this meeting.

We again congratulate NCDS on this year's annual convention, and continue to look forward to collaborative opportunities between our organizations in service to the citizens across the great state of North Carolina.

We look forward to seeing you at this meeting.

Kindest personal regards,
F. Vincent Allison, III, DDS
President, Old North State Dental Society

From the Desk of the NCDAA President

Greetings and welcome to beautiful Myrtle Beach and our 67th Annual Session of the North Carolina Dental Assistants Association. We are privileged to meet with the North Carolina Dental Society and so appreciate the opportunity to join them for their 161st Annual Session. NCDS continues to provide excellent speakers and education for the entire dental team. It is our hope that you will take advantage of these educational opportunities and expand your knowledge as well as earning Continuing Education credits. Also, take time to visit the Exhibit Hall and be sure to thank them for coming.

Dianne R. Gwaltney,
CDA

The North Carolina Dental Assistants Association proudly represents the chairside assistants, as well as front office assistants, educators, and dental assisting students across the state of North Carolina. We invite you to become a part of our professional organization and see what we have to offer. Our theme for the year is "Anchored in Purpose and Passion". We continue to hold fast to the purpose on which our association was founded but strive to grow and meet the ever increasing needs of those we represent. We have an intense passion for what we do and why we do it. Also please join us for our NCDAA Annual Session on Friday, May 19. Our Opening Session/General Assembly will be held in the Eton Room in Embassy Suites beginning at 2:00pm. All assistants who are registered with NCDS are welcomed to attend. You must wear your name badge to gain entrance. We also have a President and Officers Reception on Friday evening at 6:00pm in our Officers Suite in Brighton Towers. This is open to all dental assistants. Please stop by our registration table and pick up a program booklet with times and room locations. We would love the opportunity to meet and greet you and share what we have been doing in North Carolina and the American Dental Assistants Association.

This is also such a special time to renew old friendships and start new ones. We hope you will cherish this time together and enjoy the conversations and fellowship as we equip ourselves to better serve the oral health care needs of our patients and communities in the years to come.

Best Regards,
Dianne R. Gwaltney, CDA
