**Youth Member**

I understand that my words and actions at youth group meetings and activities should demonstrate a spirit of Christian fellowship. I take responsibility for my words and actions and agree that I will:

- treat others with respect
- avoid actions or words which are hurtful or put another person down
- respect the authority of adult leaders and the rules established for the group

I understand that if I choose not to do these things, the adult leaders may ask me to sit out of activities and may contact my parent or guardian if my behavior is preventing others from participating fully or comfortably in youth group activities.

I understand that travel with the youth group is a privilege, and that if I cannot or choose not to respect the authority of the leaders and to behave in a way that represents the group well in public, I may, after consultation between the leaders and my parents, not be allowed to travel to a particular activity with the youth group.

**Parents / Guardians**

We have discussed these expectations with our son or daughter and agree to support him or her in taking responsibility for his or her actions at youth group meetings and activities. We understand that the adult leaders of the group will contact us promptly if they are concerned about our son or daughter's behavior in youth group.

**Leaders**

We agree to work with the middle school youth to help them grow in their Christian faith and life by helping them to learn to have fun in ways that are not hurtful to others, by establishing and maintaining standards of appropriate behavior within the group, by modeling respect and caring for others in our own behavior, and by praying for and with the youth. We agree to promptly contact parents or guardians if we are concerned about their son or daughter's behavior in youth group and to work together with youth and parents to provide a positive experience for all members of the Middle School Youth Group.
