

**Bob Peterson**

Bob Peterson retired in 2001 from his position of school psychologist with the Rochester (New York) City School District as a school psychologist. Bob worked for the school district for 35 years, and for approximately 20 of those years, he worked in and helped develop a preschool program for three- to five-year-old children with learning disabilities. He has also worked professionally with alcoholics and compulsive gamblers. In addition to his work at Preschool Advantage, he is involved with the Parsippany Democratic Committee, the Parsippany Historical Society, the HUB camera club, and the Morristown Unitarian Fellowship. Bob holds a BA from the State University of New York at Buffalo, and a Masters/New York State certification in school psychology from Alfred University.
