

## **Bette Simmons**

Bette Simmons holds the position of Vice President of Student Development & Enrollment Management at County College of Morris. Reporting to the president, Dr. Simmons supervises the staff and programs in Academic Advisement, Admissions, Athletics, Campus Life, Career Services & Cooperative Education, Counseling and Student Success, Enrollment Services, Financial Aid, Health Services, Records & Registration, and the Women's Center. In addition to her demanding job, Dr. Simmons is active in the Morris County, New Jersey community. Currently, she is involved with the Girl Scouts of Northern New Jersey, the Morris County Human Relations Commission, the African American Wellness Coalition, the Morristown Juvenile Conference Committee, the Morris County Park Alliance, and the Morris County Sexual Assault Advisory Board. She provides training for the Volunteers for Morris County as well as the Seton Hall University Board Leadership Institute. Professionally, she represents her institution and profession nationally. Presently, she sits on the National Association of Student Personnel Administrators (NASPA) Foundation Board.
