

Protecting your business against **CYBERCRIME** and **RANSOMWARE**

Sponsored by: Charleston Area Chamber of Commerce

Wednesday, July 26, 2017

Charleston City Hall Basement Meeting Room

7:30 AM – Continental Breakfast; 8:00-9:00 AM – Presentation
Chamber Members: \$10 each Non-Chamber Members: \$15 each

What does Cybercrime cost you?

720M

There are 720 million hack attempts every 24 hours worldwide.

99

It takes the average business 99 days to detect malicious code.

\$9M

Companies lose \$9 million, on average, each year due to cybercrime.

Cybercrime has grown significantly in volume and sophistication, and everyone from customers to IT professionals to business owners are being adversely affected.

What are you doing to protect your data and technology systems?

Plan now to attend this informative seminar to learn what you should be doing today to safeguard your business from cybercrime in the future.

Mike Miller, Senior IT Consultant and President of TEAM ITS, LLC will be the seminar presenter. TEAM ITS, LLC is an information technology consulting company that services small to medium size businesses in east central Illinois providing customers with a full range of affordable, enterprise-class security, hardware, software, networking and managed services solutions.

Yes, I/we will attend the Cybercrime & Ransomware Seminar on July 26
