HINET: College and Workforce Training Funding and Support

The University of Hawai'i Community Colleges offer a program in partnership with the State of Hawai'i and other service providers to deliver assistance and support for college and workforce training. HINET (Hawaii Nutrition, Employment, and Training) program is a federally funded program designed to help remove barriers and provide students with access to education and skills training opportunities so they can earn a living wage and achieve financial independence.

What Do You Want For Your Future

Are you looking for a New Career, Job Training, or Financial Security? Are you wanting to improve your Math and English Skills to get a better job and Earn A Living Wage? HINET can help.

Service Provider Partners

Contact your UH Community College, Service providers, or your local SNAP office. Your Community College will advise you on job training or retraining courses. We will provide you with support to cover transportation, books, uniforms and school supplies and job search assistance.

Are You Eligible?

You may qualify if:

- You are a student at a UH Community College, enrolled in a workforce program.
- You are currently receiving or qualify for SNAP (We can help you apply.)
- You are ready and willing to work once training is complete.

Program Eligibility Criteria

- Completion of the FAFSA (Free Application for Federal Student Aid)
- Currently receiving or eligible to receive SNAP benefits through DHS (Department of Human Services) (We will help you apply.)
- Preparing for vocational, professional technical non-transfer degree or certificate program
- Enrolled in a UH Community College at a minimum of 6 credit hours (part-time) or in an approved noncredit workforce training program or 3 credit hours in a basic education course
- Not receiving TANF or SSDI

To apply for SNAP benefits through DHS visit any local processing center.
