

Roses That Look Like English Style Roses but Perform Better in the South

Let's face it, growing roses in the South can be challenging, especially if you've been fortunate enough to grow roses up North or on the West coast. Many people love the old-fashioned, almost peony-form style of David Austin English Roses but those hybrids don't always perform well in our hot, humid climate.

Here are some roses that look the part and are pretty 'til the petals drop without wimping out on you mid-summer. Most of them are highly-disease resistant as well.

color	name
white	Bolero* White Licorice
red	Europeana* Traviata*
pinks	Dee-lish Liv Tyler* Pretty Lady Rose
yellow	Doris Day Happy Go Lucky Julia Child
purple tones	Ebb Tide Grande Dame Orchid Romance* Twilight Zone
orange tones	About Face Anna's Promise Easy Does It Good As Gold Jump For Joy Livin' Easy

* Starred varieties are not being grown by Homewood in 2016 but may be available by special order. Ask the Nursery Department for details.
