We are a non-profit, all volunteer 501c3 organization dedicated to reducing the number of unwanted animals in Snyder, Union, and Northumberland counties through our low cost spay/neuter program for pets of low-income families and individuals. By raising funds through our events, donations, and memberships, we can assist those who cannot afford to spay or neuter their animals, which in turn reduces the number of unwanted animals in our communities.

Become a member of SUN P.E.T.S. and support our low cost spay/neuter program. You can make a difference.
