

IMAGINE CONTINUES

Simulcasts in Great Commandment/Great Commission Living

WHY IMAGINE ?

Critical to Church relevance, witness and passing on faith to future generations is awakening followers of Jesus to make disciples, who make disciples, who make disciples.

WHAT WILL BE REQUIRED ?

Essential to realizing the IMAGINE goal will be to REBOOT the churches *original operating system* which turned the world upside down for Jesus Christ! (Acts 17:6). The Church's original and intended operating system was Great Commission living empowered by Great Commandment love! In short it was "loving God and His Word, loving others and leading others to do the same".

IMAGINE continues...SIMULCASTS launched in 2017 and available on-demand to serve this IMAGINE Vision of Spirit-Empowered disciples making disciples!

WHAT WILL IT LOOK LIKE?

What will **Great Commandment/Great Commission ministry** look like in a local church? Based upon significant impact in multitudes of ministries across the globe, twelve (12) principles of Church Renewal/Planting will be covered in this series:

1. **Vulnerability:** Imagine a church where real people were real. (February 11, 2017)
2. **Meeting Needs:** Imagine caring for people instead of making points (April 1, 2017)
3. **Relationship:** Imagine making Jesus make sense (May 6, 2016)

Principles 4-6 will be released for use in Fall 2017, followed by the remaining six for use in 2018.

The ideal use of the Imagine Simulcast resources are:

- In pastor/pastor-spouse gatherings facilitated by denominational/church network leaders
- In local church gatherings of staff/lay leaders facilitated by the pastor

Format of Simulcast/On-Demand REBOOT resources.

Each of the 12 Imagine sessions is set in a team meeting setting where leaders explore the principle together and will include:

- An opening session of approximately 20 minutes where the Great Commandment/Great Commission principles such as Vulnerability, Meeting Needs, etc. are highlighted from Scripture with practical application in order to apply them in 21st Century ministry.
- Three optional 10 minute sessions on this same principle which make broader application to personal life, church ministry and missional living along with interactive experiences.
